8:30 start of individual warm-ups

9:20 tournament infos

9:30 start of the games (according to timetable!)

11:30 pool mini-deciders / 1st K.O stage (not all teams involved because of "bye"s)

Lunch break

13:00 K.O. phase continues

15:00 start of streamed games

18:30 ceremony

19:00 heading to evening spot

Open End ;)

Playing format and rules:

- Group Stage: 16 Teams Power Pool (Seed 1-16), 24 Teams Energy Pool (Seed 17-40)

- Bracket Phase: 2 brackets of 20 teams (4 group winners from Energy Pool will move up to the upper bracket and the 2 last placed from the Power Pool will play mini-deciders (against the 2 worst group winners of the Energy Pool)

Group stage will consist of 1 game against every other team in the group

K.O. stage will change to a best of 3 format

(exact details on tournament day)

As we have 10 groups, but only 8 nets, we have constructed a mini-overview of what teams and matches are played on which net. See the attached PDF for further details, you will have the same overview printed and ready at the tournament, so no need to print it. ;-)

As the tournament counts as an official tour stop of Swiss Roundnet, we play according to the Swiss Roundnet Rules. You can find the rules attached (sorry only in German).

Stream - Twitch

We are happy to announce that we will try to stream all final games of the event. So please inform all your friends, family and roundnet enthusiasts about it and in the end you might even end up on stream, who knows. If commentators/stream supervisors are available, we might stream earlier and give everyone a chance to be on stream, even if not close to a final ;-)

Follow us and please share: <https://www.twitch.tv/roundnetclubbasel>

Location and Infrastructure

The tournament will take place in the [sports gym of "Margelacker" in Muttenz](#).

Please come by public transport if possible, there are only a few parking spots available. Public transport: we suggest taking the train till "Muttenz" train station - from there take the bus "60" till "Unterwart, Muttenz".

Again: for the safety of a kid also having sports in that gym, **peanuts are not allowed** near nor in the gym area. Thanks for respecting that!

Lunch sign up - Food and snacks:

Snacks and some drinks will be provided through the tournament.

We also **organized lunch** for everyone. We will serve Pasta - with a vegan and non vegan option. For people with gluten allergies, please bring your own food, sorry.

Please bring your own cutlery and dishes, also bring your own cup for the drinks. We want to create as little waste as possible.

To sign up for Lunch - please fill out this form here! [Lunch-Registration](#)

If you did not sign up, Lunch is not guaranteed.

Please sign up until 18th Jan midnight.

Evening

We have planned a little get-together at a different [location](#) in the evening after the tournament.

The plan is to head there all together (it's a 20 minute walk) after the games and ceremony are done.

As it will be mainly outside, don't forget to bring warm clothes. We will have a fire going though, and we will sell beers and wine (of course for an affordable price) to keep you warm ;-)

Please be aware that **alcohol is not allowed in the gym area**, as we are on primary school territory - sorry. So please wait with your beers till we are at the new location. We are sure you can wait...

If you are hungry we can organize a food delivery for pizzas, but there is also a [gas station shop](#) on the way, where you can buy your dinner, and maybe even something to put on the fire (there will be a grill to grill on).

Tournament fee:

please don't forget to pay your tournament fee - see further details

here: <https://roundnetclubbasel.ch/zahlungen.html>

You can also pay on spot, but it is appreciated if you would do it before the tournament.

Questions?

[Mail](#) to the organizers
